# 1. Plan Advantages

An Enterprise Multi-location CovidPass™ Plan gives your organisation a streamlined “no-contact” QR visitor screening experience with many advantages...

- ✓ Access to CovidPass™ Portal via one national account.
- ✓ Create and manage all locations in one national account.
- ✓ View submission records in one national account.
- ✓ One QR Display Sign can serve all locations.
- ✓ OR, generate a QR Display sign for each location.
- ✓ Your organisation can offer one point of contact for any covid/visitor enquiries to minimise confusion.

This provides consistency across your organisation and a positive experience for your customers and staff.
